DR. LINDA SUJO

ASSOCIATES IN OPTOMETRY

To the Patients of Brooklin Vision Care,

Brooklin Vision Care proudly opened its doors in April 2015. This clinic, along with Whitby Vision Care, strives to provide our patients with the highest quality of eyecare in Durham Region. Since its opening, Dr. Pamela Schmitz, Dr. Linda Sujo and Dr. Olivia Hwee have enjoyed growing this location together.

However, during the COVID pandemic, we made the decision to minimize the movement of staff and doctors between the two clinics. Dr. Olivia Hwee took on the challenge of managing Brooklin Vision Care during this time and has worked tirelessly to ensure the clinic continued to operate at the highest standards.

With the pandemic now into its second year, Dr. Pamela Schmitz and Dr. Linda Sujo have made the difficult decision to step away from Brooklin Vision Care permanently. Dr. Olivia Hwee will assume sole ownership and along with our wonderful staff, Stephanie, Lori and Chantal, will continue the high level of care our patients have been accustomed to. Existing patients will have the option to transfer their care back to Whitby Vision Care if they wish, as the practices will be operating independently from each other moving forward. We are saddened by our decision to step away but are very proud to have been a part of this family.

Thank you for entrusting us with your care over all these years.

Sincerely,

Dr. Pamela Schmitz and Dr. Linda Sujo
